

Applegate Enrichment 2018 Course Descriptions

Monday Classes

5th Grade Enrichment Helpers	Grades 5	Monday - FREE
Earn Administration-approved community service hours. Volunteer to help your fellow students! You will earn 4 Community Service hours for either the Monday or Wednesday session. *Not Eligible for Yearbook Hours*		
Coding with Krubots – Creative Games and Apps	Grades 1-3	Monday - \$60
Students learn how to code by working on a Real Software Development – to design, program and publish mobile apps and games. Create your apps on your phone, tablet or laptop that works on IOS, Android, Window, MAC or Apple. Students discover how to make amazing things and have impact on the World!!! Instructor: Payal Chauhaun		
Doodle Dude	Grades K-2	Monday - \$35
Crank Up The Toons with Art Kaney—The Doodle Dude!!! Let the Doodle Dude teach you to draw and be inspired in the field of cartooning, art, animation, commercial art, and much, much more! The goal is to inspire kids in the arts and most of all within themselves. This is an INTERACTIVE time you will never forget! Instructor: Art Kaney		
Lacrosse	Grades 3-5	Monday - \$40
Lacrosse is the fastest growing sport in the US today. Get in on the fun by coming to enrichment to play this exciting sport. Students will learn the basic skills and rules, then get to play the game. With its fast action and team play, it's a great way to improve athletic and team skills while having great fun! Instructor: Stephen Shanners		
Magic with Jumpin' J	Grades 3-5	Monday - \$40
Be the life of the party!!! Learn how to Read Minds, Freak out your Friends and even LEVITATE! Join Amazin' J for an afternoon class that will teach you the deepest darkest secrets of some of the World's Greatest Illusionists!! Instructor: Jumpin' J		
Mad Science I	Grades: K-2	Monday - \$35
Join us for four weeks of fun in the Mad Science Lab! Children will investigate Slime Time, Watts Up, Call of the Wild and the Science of Magic!!! They won't believe their eyes! Instructed by: Mad Science of New Jersey		

Parabolic	Grades 3-5	Monday - \$30
<p>This class is a fun introduction into training like a true ATHLETE!! Come compete with your friends and see who's got the quickest moves! Instructor: Jonathan Hudak - Sportika</p>		

Snazzy Snacks I	Grades K-2	Monday - \$30
<p>Who says you can't play with your food? If you like playing with your food, then Snazzy Snacks is the class for you! We will experiment making delicious (and messy at times) snacks to enjoy both at school and home. Students will explore their taste buds by trying new snacks they may have never had or thought they didn't like before. So if you're ready to have fun with your food, be sure to check out Snazzy Snacks! Instructor: Maria Baralus</p>		

Snazzy Snacks II	Grades 3-5	Monday - \$30
<p>Who says you can't play with your food? If you like playing with your food, then Snazzy Snacks is the class for you! We will experiment making delicious (and messy at times) snacks to enjoy both at school and home. Students will explore their taste buds by trying new snacks they may have never had or thought they didn't like before. So if you're ready to have fun with your food, be sure to check out Snazzy Snacks! Instructor: Robin Bellomo</p>		

Vase Painting and Floral Arrangements	Grades 3-5	Monday - \$35
<p>Would you love to be CREATIVE with FLOWERS??? Come join us as we decorate vases and learn how to arrange beautiful bouquets! Boys and girls will love this class! Instructor: Tali Peritore</p>		

Yoga – Pilates	Grades 2-5	Monday - \$20
<p>Yoga and Pilates teach kids how to use their muscles in new ways and make their bodies stronger and more flexible, while encouraging a focus on breath and the physical sensations of being in a pose. Together, these things help kids become aware of the possibilities of movement in their own bodies, and also help expend excess energy and increase concentration and focus outside of practice. Instructor: Marissa Shafer Leiser</p>
