

Field Day Information

We are so excited for another **Fun-Filled Field Day** at Hamilton School!!! Here are some important reminders about the day:

School Photo:

- All children will be brought outside at ~10:15a for the school picture and then will reconvene inside with their classes before lunch

Lunch:

- Students will begin to be served lunch ~11:30a...there will be separate lines for hot dogs, hamburgers, etc...**please remind your children what you ordered them for lunch** to help the process run more smoothly!!!
- *****For all those not participating in the barbeque lunch, please DON'T FORGET TO SEND A LUNCH IN WITH YOUR CHILD; we cannot serve any children without a previous order**
- All allergy/special request food orders will be cooked first and will be served separately for your children's safety
- Weather permitting, children eat outside with their class. They can bring a towel to sit on during lunch (and to also use for water play later in the day, see below). Make sure to put your child's name on it if they choose to bring one.

Attire:

- Students should **wear their Field Day t-shirts** along with comfy/gym shorts; Mr. H distributes these t-shirts the week of Field Day and your children will bring them home.
- Several activity stations involve water. Your child is welcome to wear a bathing suit under his/her clothes if so desired. They can also bring a towel as mentioned above.

- Appropriate footwear for running around a must...**NO FLIP FLOPS!!!**
- **Don't forget the sunscreen!!!** Your children will be outside for most of the day.

Volunteers:

- A map, schedule, and list of assignments will be posted along the back wall of the school next to the playground area. When you arrive, please check-in here first.
- All volunteers, **please check your sign-up genius reminders** to make sure you know where and what time you are expected.
- Volunteers who signed up for the first shift of games (**12:15-1:00**) will need to **meet with Mr. H first** so he can explain the instructions for each activity and answer any questions. You will also need to pass this information on to the next shift, etc.
- **Grillers** remember you need to **bring your own grilling utensils.**
- Please remember that the **food is for students and staff ONLY.** We appreciate all your hard work but please plan to eat before or after you arrive or make other arrangements for your own lunch.
- **Rain Date: Monday, June 10th.** An email will be sent if a change is needed. Please try to be available for both days.

Finally, a huge thank you to everyone who has volunteered. This day is literally impossible to pull off without your help. We know how busy everyone's schedules are and we greatly appreciate all your support.

THANK YOU!!!

For any other questions or concerns, please feel free to reach out to **Amy Finn** at hamiltonfieldday@gmail.com... see you Friday :)
