

## Coleman Elementary Grade Historians

Your Grade Historian takes on the important task of documenting and preserving your child's memories through photos starting in kindergarten and following their journey through 5th grade at Coleman.

Please share photos of your child/children from class parties, class trips, HSA Events, on the playground after school and sports/scouts. GROUP SHOTS are preferred. When submitting photos, please sort them by grade and event. For example, in the subject line include "1st grade - Farm Fest" or "4th grade - Bingo Night". Send all photos to your designated Grade Historian listed below.

For the safety and privacy of our students, your Grade Historian will be the only person with access to these photographs. They will be used solely in your child's 5th grade yearbook.
