

HAMILTON SCHOOL HSA

What is the HSA?

We are a Home & School Association of parents working closely with Mrs. Pierides to foster communication and help enrich the learning experience for our children.

Why the \$20 fee to join?

Our \$20 dues are used to streamline communication through our website enabling you to receive a weekly email with information about upcoming activities and events. In addition this fee will support student learning activities such as assemblies, book purchases, recess equipments and many other resources to support our students.

Enrichment

By fundraising we are able to purchase items for the school that are outside the school's budget such as books for the classrooms, technology, playground equipment, special assemblies, and more. In addition, we sponsor some events at no charge to encourage relationships and to express teacher appreciation. Events range from book fairs and school-wide play dates, to pool parties and parent socials... even a community-wide Multicultural Festival.

ALL SCHOOL PLAY DATES

Let's have a playdate at the Hamilton playground!!! Students are invited to stay after school for a playdate with all their school friends . Two play dates are planned for the Fall and two in the Spring. One or two volunteers are needed to coordinate and notify parents of the playdate . HSA will contribute by providing a much-loved snack.

ART DOCENT

This program is an opportunity for parents to visit their child's classroom to introduce students to important artists and artwork. Parents have the opportunity to select any artist/artwork to present, and in addition to sharing some basic information with the students, they also do an activity, allowing students to have fun and get hands on in the process of creating art. Projects can take any form, from having students draw their own picture to writing a Haiku about the artwork. Art Docents are scheduled one per month from October to June and parents work with the teachers to schedule their 45 minute visit. Committee members serve as a resource to parents participating in the program, providing ideas for art, artwork and projects.
