

For the 2020-2021 school year, the PTA does not anticipate being able to run our most successful fundraisers such as pizza day and the Gala. So that we can be prepared to support the school in whatever they may need to keep our children safe, happy and learning, we feel it is important to continue our fundraising efforts where possible. We also feel it is important to support our local businesses and each other during this time.

The PTA's "Shrewsbury Saves" program gives our community an opportunity to save money on holiday shopping while supporting both local businesses and the SPTA. Please be as generous as you can in supporting our town and school! Go to <https://shrewsburypta.org> for links to all of the opportunities below:
