

Spring 2023 After-School Enrichment Program

Enrichment Chairs:

Kelly Geisler KellyMGeisler@gmail.com

Julie Jacobs Julie.Baxt@gmail.com

It is our pleasure to present the WCL PFA Enrichment Program for spring. This session, we are excited to offer both indoor and outdoor programs that will appeal to a variety of interests.

Students can explore and learn in small, friendly groups, under expert guidance, for a reasonable fee. The WCL PFA Enrichment Program is meant to be fun and a way to involve parents. This is a PFA program that, with the help of parent volunteers, gives children an opportunity to try classes in a familiar and convenient setting. The only requirement is the desire to participate. We hope you are as enthusiastic as we are about this session's offerings. Please let us know if you have a request for a class, as we are always looking for new programs to offer.

REGISTRATION

Online registration for the spring enrichment session will begin on Sunday March 5th at 6:30pm for K-2nd grade and 7:00pm for 3-5th grade. If this registration time is an issue, then we advise you to have a family member or friend register for you. Class space is limited, and classes are filled on a first-come, first-served basis. Registration for Spring Session will close on Sunday, March 12th and begin Monday, April 10th. There will be links for each class. Classes can fill up quickly. If you would like to be put on the waitlist for a filled class, please contact the designated enrichment chair via email. During the week leading up to the start of class, you will receive the chaperone schedule and classroom assignment from the volunteer coordinator for that class.

REFUND POLICY/MAKEUP CLASSES/CANCELLATIONS

Our vendors staff the classes according to initial registration and as a result, should you need to cancel your children's registration it will need to be before the second class, and **you will receive a refund only if there is another student on the waitlist who will be taking your child's spot. This refund will only be applicable during the first week of class.**

BEHAVIOR POLICY

Appropriate behavior is expected for all the students to ensure a positive experience for the entire class. Children are expected to listen to the instructor and chaperone, be respectful of other students and participate in activities. If any child is disrupting the class and does not respond to a request to change behavior, he or she will be escorted to the main office, and we will contact the parents to discuss the situation. If the situation cannot be remedied, we will ask the student

in question to withdraw from the class or be chaperoned each week by their parent. Please keep in mind that Dorchester's code of conduct will be enforced for all enrichments.

CHAPERONE POLICY

We **require** each parent to chaperone or provide a chaperone for classes in which their children are enrolled. This is done for our children's safety and is also a wonderful opportunity to see your children in a learning environment. Parents/caregivers are required to provide two potential chaperone dates upon registration of their children. If it is physically impossible for a parent/caregiver to attend, you may send a nanny, relative, or babysitter over the age of 18 to chaperone for you. Another option is for you to have a friend whose child is also in the class cover for you.

You typically will only chaperone once per session if you only have one child enrolled in the class. If you have multiple children enrolled in one class, then you will need to chaperone once per each child enrolled. If you are signed up for multiple classes, then you will need to chaperone once per each class.

If you have a conflict with your chaperone date it is your responsibility to find a replacement within the pool of parents that have children registered for the class. Typically sending out a quick email to the other parents will yield a parent that might have more flexibility in their schedule. If a replacement cannot be found, then class will be canceled. Occasionally your role as an enrichment class coordinator can be done in lieu of chaperoning.

ENRICHMENT CLASS COORDINATORS

This is an easy way to help that really does not require much work and can be a replacement for chaperoning in some cases. It really isn't much of a commitment. Your major responsibilities include creating a chaperone schedule and sending out a weekly reminder to the upcoming chaperone. We have email formats that you can use that just need to be updated and sent to the chaperone for that week. It is typically very easy, and you will be 100% supported by the enrichment chairs should any problems arise. We have a whole set of simple directions for every step of the way. This is a great opportunity for parents who have a hard time chaperoning but want to get involved.

ARRIVAL AND DEPARTURE

Arrival: **Children will be escorted from their classrooms to an assigned location at Dorchester Elementary School which will be assigned once registration is completed. The parent chaperones are to arrive to the Dorchester office, sign in and meet the children at the assigned location.**

Please feel free to pack a light, nut-free snack for your child to eat at their designated spot before class begins.

Departure: **For dismissal, chaperones will walk the children outside by the Dorchester office or gym where parents will pick up their children at 3:45.** Chaperones, who will be holding up the class name folder, will call out the child's name and the parent/chaperone will come forward to sign him/her out. You will need to sign your child out on the dismissal form provided by the chaperone. Once children are picked up, chaperones will then walk ATB students to their assigned group in the ATB program. After the Bell students will be signed out directly to the program. Thank you in advance for adhering to these pick-up procedures, as they are for the security of our school and students.

ABSENCES

Please email the class coordinators if your child will be absent from class, so they can inform the chaperones. Otherwise, we assume your child is missing and chaperones must make phone calls to follow-up.

PikMyKid APP

Please update the PikMyKid app for the corresponding class dates. This is required of all students, including walkers and children enrolled in After The Bell. It should be changed to After School programs and assigned to PFA Enrichment.
