Safety

- The WCL PFA aligns with and follows all safety guidelines established by the Woodcliff Lake School District, including their rules for parent volunteers to enter the school buildings. Protocols during the school day, when all students are present, are different from those in place for activities outside of school hours. The WCL PFA has offered to collect vaccine card information for volunteers of PFA sponsored activities in an effort to assist the school nurses with this task and minimize time taken away from our children.
- In addition to wearing masks and gloves, all Parent Volunteers must submit a copy of their Covid-19 Vaccination Card through this [Google Form](#). If you are unvaccinated and would like to volunteer, you must receive a negative PCR or rapid test within 72 hours of your volunteer time slot and submit the lab results to Nurse Michelle Herrmans at wclcovidnurse@woodcliff-lake.com. At-home tests will not be accepted.
- If you are not feeling well, or are experiencing Covid-like symptoms the day of your volunteer shift please find a suitable replacement and notify wclpfalunch@gmail.com of this change.

Cancellation

- Individual lunch cancellations, including quarantine and absence, are accepted **only on the No Fuss Lunch website** until 6am the day of service.
- In the event of a school closure (including inclement weather, full school quarantine, etc) orders will be automatically canceled.
- With all cancellations, **a credit will be applied to your account** to be used towards a future order.
