

WCL PFA Directory Download Instructions

Your 2018-2019 school year membership to the WCL PFA will expire on June 30th where you will no longer have access to the online & mobile directory. You can renew your membership starting July 1, 2019 for the 2019-2020 school year and update your Dorchester, Woodcliff and alumnae students.

While all the WCL families are updating their information, the online & mobile directory will contain limited information. If you're interested in saving the 2018-2019 directory, we highly recommend that you download the current directory before June 30th.

1. Go to www.wclpfa.com and login.
2. Under MY ACCOUNT click on one of the following options in the dropdown (see picture below):
 - a. View The Woodcliff Lake PFA Directory
 - b. View the Woodcliff Lake PFA Class Directory
 - c. View the Woodcliff Lake PFA Student Directory
3. Print or download one or all of the directory documents - you're all done!
