

Dear Parents:

We are excited to share with you a new fundraising program offered through our school. Mark-My-Time has developed a line of reading and music practice timers to make it easier than ever for you and your child to keep track of daily required reading/practice minutes. The bright colors and now NEW 3D images along with an easy to read display make these digital timer bookmarks and booklights the perfect way for your children to make reading time...anytime and keep track of every minute.

Mark-My-Time digital products encourage reading without distraction but with purpose. Set the timer for 20 minutes a day and let the child disappear into a book without worrying or stopping every 2 minutes to ask, "...am I done yet?" The bookmarks feature a countdown timing function with alarm for timed reading, music practice or math fact timed practice. Use the cumulative timing function to encourage reading throughout the day. Start and stop the timer each time the child picks up a book – at breakfast, during lunch, in a car ride, waiting at the doctor’s office - and in the evening it will be a simple task to get the cumulative time read for the entire day. Additionally, the new mark-my-time digital booklight includes a bright LED auto shut off light.

Below you will find our School Promo Code. Log on to www.mark-my-time.com, order the product(s) you would like, type the School Promo Code in the box on the checkout page and the product will be sent directly to your home. Encourage your friends and relatives to order too. The mark-my-time products make great birthday gifts, party favors or stocking stuffers and for each one ordered our school receives 20% of your order cost for our fundraiser.

It’s that simple!

We appreciate your support in helping us raise funds for our school.

Sincerely,

School Promo Code: **12NJDES – valid through 12/21/2018 only.**
