

## **Northvale PTO Winter Enrichment Program, 2020**

The fee for each class is noted in the class description and includes the cost of relevant supplies, unless noted. Once registration is completed, no refunds will be made, no exceptions.

### **Admission and enrollment**

Children must be in the indicated grade level to be admitted to a class. Classes are limited and are filled on a “first come first serve” basis. Any class is subjected to cancellation or combination due to insufficient enrollment. You will receive a confirmation email for your registration only when the registration period has ended. You will be notified of cancelled or combined classes.

### **Inclement weather and class cancellations**

Classes are automatically cancelled if school is either suspended or closed that day. Classes may also be cancelled, at the instructor’s discretion, due to inclement weather or a personal emergency. These last minute cancellations will be announced during the school day and an attempt will be made to reach each parent at the phone number and/or email listed on the registration form. It is the parent’s responsibility to check for messages regarding cancellation that may be left by phone or email. Instructors will make every attempt to make up all cancelled classes.

### **Arrival and departures**

All enrichment classes run from 3:15pm-4:15pm. After dismissal, students participating in the enrichment program will go to the APR where they will be checked in for their enrichment class by the enrichment coordinator. Instructors will pick up their entire class at the APR at 3:15pm and return them to the APR at 4:15pm. All parents must arrive at 4:15 as students will be dismissed to parent/guardian at the APR of the school. PARENTS MUST BE AT THE DOOR TO THE APR AT DISMISSAL TIME.
