

# 2022-2023 Teacher Grant Form

The GMRSD PTO has a goal of helping to enrich the educational and extracurricular experience for all the students in our district. One of the ways we feel we can be helpful is by offering teacher grants. These would be monetary contributions to enhance curriculum or to purchase supplies to meet specific educational needs. Some examples of past grants include: a flat screen TV for the WLSN TV studio at Liberty School, new projector for the ELMO cart, a world map and globe, garden tools, 2 V-Tech Nitro Notebooks, gym equipment, music instruments, and books.

The GMRSD PTO encourages Administrators & Teacher to submit applications for grants for the upcoming school year. We hope to use all the money budgeted this year to help you enhance the learning of our children. Please take advantage of this opportunity!
