

Ramapo High School 331 George St, Franklin Lakes, NJ 07417
Ramapo APTS - Association of Parents, Teachers & Students
www.rhsapts.org

Welcome back to Ramapo! I hope you enjoyed the summer break.

The first APTS meeting of the 2021-22 school year is scheduled for Tuesday, September 14th at 7:00 PM in the auditorium. The Superintendent, Principal, Assistant Principals, Guidance Supervisor, Curriculum Director and Director of Student Personnel Services plan to attend and will provide valuable information.

We hope to encourage every family to purchase their APTS membership. Our goal is to have all 900+ families join the APTS this year -- membership dues are \$30. Surprisingly, on average we only have 300 members per year. You can see how this minimal one-time payment will help support our efforts for the entire school year. As an added incentive this year, if you purchase your membership before September 7th, your name will be entered to win a prime parking spot for Back-to-School night.

Why join and support the Ramapo APTS?

- Be informed about what's going on at Ramapo. Our monthly meetings are packed with information. After the initial membership drive, only members will receive our weekly emails and reminders.
- APTS provides teacher grants to enhance your student's learning experience. Last year, APTS grants supported several class trips, in-class projects and a weeklong diversity initiative.
- APTS awards over \$8,500 in scholarships yearly to seniors whose parents are APTS members.
- Membership includes access to our online membership directory (in printable form) as well as a subscription to the Paperless PTO Mobile App. We have eliminated the printed directory as the online version can be printed. The app provides greater flexibility in accessing member information.
- Eligibility to win a parking space at graduation for senior families who are members. The chances of winning increase each year you join.

Please join the APTS and access our Summer eMailer on the APTS website at www.rhsapts.org.

Again, we hope you will join us at the first meeting 9/14 at 7PM.

Sincerely,

Beth Murtha APTS President
