

# Be an *LSE Science Star!*

*We are bringing back the Science Fair to Linton Springs!*

**WHEN: Friday, March 22nd from 6-7:30pm (kids can set up from 5-6)**

**Students will display their science projects and present them to Visiting Scientists. We will also have science demonstrations (Eric Energy, robotics, National Cancer Institute, and more), “It’s All Good” food truck, and snacks for sale by the 5th Grade Fundraisers!**

Parents, please sign your child(ren) up before Feb 9th so we can get a headcount, and we will send more information soon.

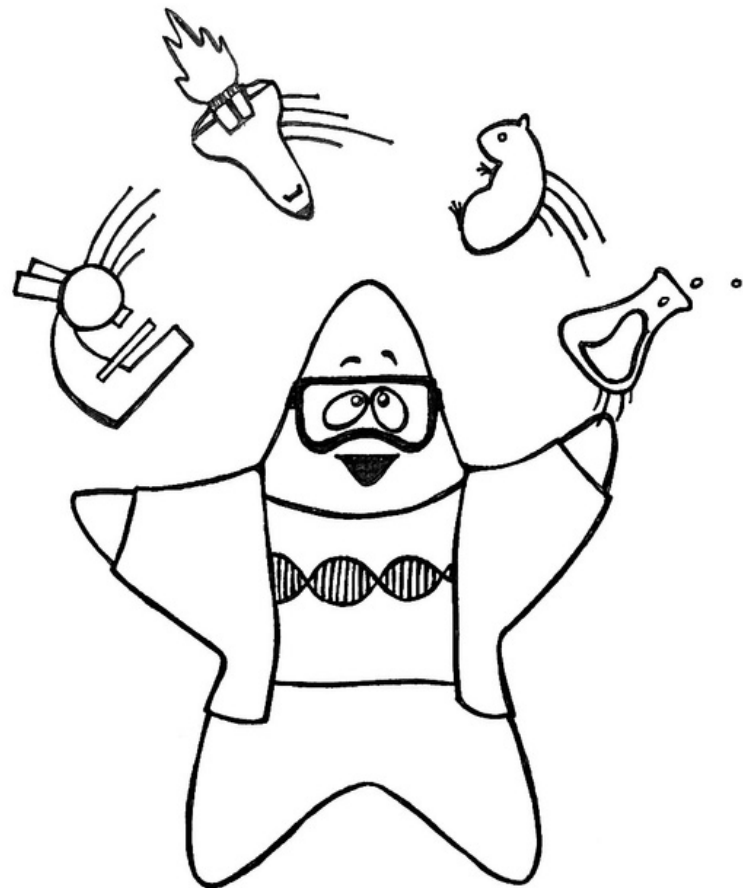

Parents who have a STEM background - please sign up to be a “Visiting Scientist” who will talk to a preselected group of kids during a time slot about their projects.

Also, STEM parents are welcome to have a booth or demonstration, for example from their STEM employer.

**Sign-up for child participants and adult volunteers can be found at this link:**
