## HAPPY BIRTHDAY GRAM!

What a great way to send some fun to that special kid!!

Here's how it works...

Complete the attached order form, write a special message to your student on the bottom half and send back to school with \$2.00 for each student.

Each gram includes a Spirit Stick and a Smencil! You can add a Spirit Monkey to your child's Birthday Gram for an additional \$8.00.

Birthday Grams will be delivered on their birthday. Weekend/holiday birthdays will be delivered the Friday prior to their special day. Have a summer birthday? No worries! Celebrate their HALF Birthday.

Spirit Sticks and/or Smencils will be distributed and attached to the notes at random. Due to quantity limitations of Spirit Sticks, Smencils and Spirit Monkeys, specific requests cannot be honored at this time. Thank you for your understanding.
