

September 2019

Dear HPS Faculty:

The Haworth Home and School Association is pleased to announce a MINI-GRANT PROGRAM for the 2019-2020 school year. All staff are eligible and encouraged to apply, only those approved will receive a grant.

The grants should be related to what is going on in the classroom and should enrich the school curriculum, and we encourage you to think out-of-the box ie. class trips, school assemblies, guest readers, etc. The monies should not be used to purchase those items that the school provides through the district budget. Each request is carefully reviewed and considered by the HHSA Executive Board.

Grade levels may collaborate and pool their money to submit a grant that would benefit the entire grade level and teachers may also collaborate in a specific subject area. The approval of the administration is required prior to submission.

We look forward to assisting you by providing another resource for you to further enhance the education of the children of Haworth. We are excited about this opportunity and look forward to working with you on this initiative. Please feel free to contact us for additional information.

Sincerely,

The HHSA Executive Board
