

# **Hamilton School Toy Drive**

## **November 20- December 5, 2017**

For many years, Hamilton School has had a toy drive to benefit local charities. Please consider donating this year a NEW and UNWRAPPED toy to benefit the Paterson YMCA Supervised Visitation Program. Our 5<sup>th</sup> graders will be wrapping the gifts as part of their community service project. We would also be grateful for tape and wrapping paper donations. There will be a collection box in the lobby of the school. You can drop off the gift or send the gift in with your child.
