

- Monday, October 29 is the last day to sign up for the KINSA App.
- Go to [kinsaforschools.com](http://kinsaforschools.com) to register.
- All information is confidential. This is a great way to track illnesses/flu.
- Once you sign up, a FREE smart thermometer will be sent home.
- Please contact Nurse Mary with any questions -- (973) 853-4488.

Hurry—offer valid while supplies last.  
Thermometers ship to school in October.

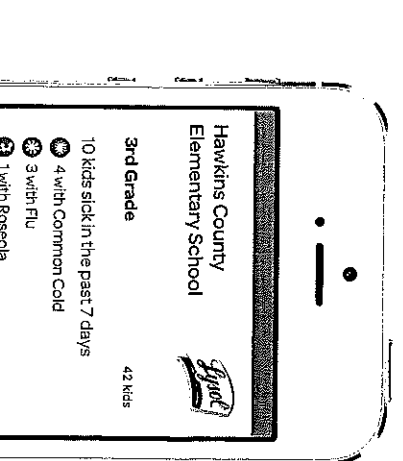

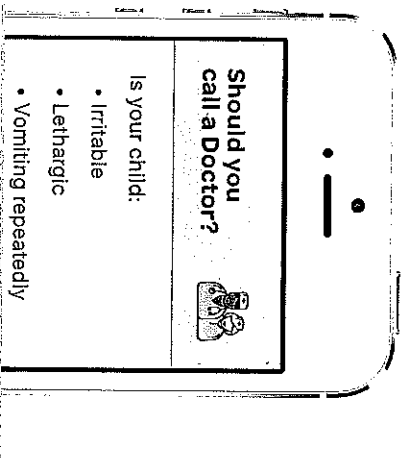

### Do I have a fever?

Take a temperature in 8 seconds or less with Kinsa's FDA cleared thermometer, recommended by 9 out of 10 pediatricians.\*

### What should I tell my doctor?

Track fevers, symptoms, and medications in a time-stamped log for each member of the family to share with your doctor.

### What should I do next?

Get help immediately with personalized guidance for when to call a doctor and how to make your kids feel better.

### What's going around?

Anonymized info about illnesses hitting your child's grade will help you spot symptoms quickly or even avoid them.

\*400 pediatricians surveyed by MIT Sloan School of Management

Lysol® is committed to helping establish healthy schools by reducing the spread of germs that cause flu, colds, and other illnesses. By partnering with Kinsa, Lysol is offering families an innovative tool to help keep their children healthy and in class learning throughout this cold and flu season.

*"I love the Kinsa thermometer and app. As a mother it was a lifesaver when 3 out of 4 people were sick in the house!"* — Beth, parent of 4th grader

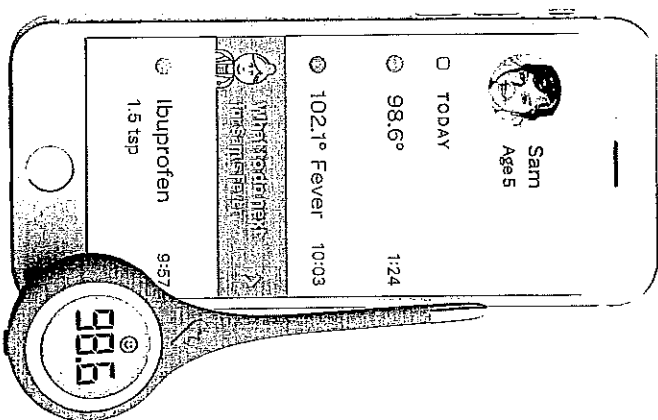

*"I absolutely love this program! It helps you to know what's going around and what your kids may catch."*  
— Kim, parent of 2nd grader

Kinsa turned the first device you grab when sickness strikes – the thermometer – into a support system to help your school community stay healthy.

Your personal support system
