

THE CLOSTER PARENT-TEACHER ORGANIZATION PRESENTS:
MOONLIGHT MASQUERADE

The Closter Parent Teacher Organization (PTO) is pleased to invite you to “*MOONLIGHT MASQUERADE*”- **our Annual Dinner Dance and Fundraiser on Friday, March 22nd, 2019** at The Rockleigh in Rockleigh, NJ.

The Closter PTO is a non-profit organization, served by a dedicated group of parent-volunteers committed to providing children from the Closter Public Schools (Hillside Elementary and Tenakill Middle) with high-quality enrichment programs during and after the school day. Our mission is carried out by enhancing our children's educational experiences beyond their standard in- school curriculum, through field trips, social and cultural events, and raising funds for supplemental learning tools such as technology, the arts, math and sciences. Our goal is to offer our children a broad range of programs that will expose them to the wider world of education while building invaluable life skills such as self-confidence and collaboration.

As the school's only major fundraiser, the Closter PTO relies heavily on the generosity of its community to support the Annual Dinner Dance. Your participation as a sponsor is critical to advancing our mission of creating accessible educational opportunities for all children and families in our community. We have made great strides

in expanding these programs, however, with the many pressures on School Districts to “perform” and keep test scores high, children have less time for social and educational opportunities outside of their core curriculum.

Enclosed you will find a list of the many sponsorship levels, and we ask for your consideration in joining us a sponsor through the mutually beneficial offerings. Every dollar raised at the Dance will directly support the more than 900 households we serve, and provide you with a wonderful entrée to our community.

Should you have any questions or require further information please contact us at the information provided below. We look forward to your joining us in support of the Closter Public Schools and for enhancing our children’s educational experiences for years to come! Thank you.

Sincerely,

Andrea Messinger, Amy Glaberman, and Jaime Stella
