Advocacy Information

A complete listing of Advocacy updates is available on the [PTA Webpage](#). Please pay special attention to the upcoming classroom size changes that will affect LSE due to Blueprint requirements. There will be two town halls discussing these changes on March 5 (6pm at Century H.S.) and April 2 (6pm at the Career & Tech Center).

One Book One School

The LSE PTA would like to invite you to our One Book One School Storytime with the Principal Nights. We have two options, February 7 and February 21. Please sign up [here](#) for ONE night as space is limited at each event and we'd like to welcome as many families as possible! When signing up, please provide the names/number of family members attending and the number of children attending. A bedtime snack of goldfish and juice will be provided for children and please bring blankets/towels for seating so we can settle in and get cozy for a nice bedtime story of that night's assigned reading with our principal. Pajamas are optional, but encouraged! Since space is limited, the PTA will have a list of those families who signed up at the door and will be checking in families upon entry. This is not a drop off event! We're also in need of a few volunteers at these events to check in families, hand out snacks and keep an eye on the hallway. Shifts are in 30 minute increments, so any help is welcome! Please sign up [here](#) if you are able to help.
