

Dear Ramapo Parents,

The RMPA (Ramapo Music Parents Association) invites you to participate in our 2020 Scrip Gift Card Fundraiser. The money raised will go towards scholarships for students in the music programs at Ramapo High School.

Scrip fundraising is a no-selling program that allows students to raise money for their non-profit organization. Start your holiday shopping now from home! Scrip is also another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards.

This is how it works: You purchase gift cards from your organization (RMPA) at face value (face value never changes), and the RMPA Vice Presidents (coordinators) will order those cards from Shop With Scrip at a reduced price. The difference is a profit for RMPA Scholarship Fund. It's really that simple!

When you use Scrip gift cards at your favorite retailers, you're fundraising while you shop. Shop With Scrip offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. These retailers are listed on the attached order form. Please help us by putting your shopping dollars to work!

Attached you will find a paper order form for our fundraiser. Please return the completed form AND CHECKS by Friday, November 20, 2020. Orders can be dropped off or mailed to the following address:

Paula DeFalco, 46 Dale Avenue, Wyckoff, NJ 07481
Jenn Mola, 982 Crystal Lake Terrace, Franklin Lakes, NJ 07417

Checks should be made out to "Ramapo Music Parents Association". Please write Scrip Fundraiser on the memo of the check.

Ordered gift cards will be available for pick up outside the band room door (by the loading dock) on Tuesday, December 8th immediately after dismissal. If you are unable to pick up cards, please indicate that on the order form and we can make other arrangements.

Please email any questions to RamapoMusicParents@gmail.com.

Thanks so much for participating and happy shopping,
Paula DeFalco and Jenn Mola
RMPA Vice Presidents
