

## Draw Together; a Community-centered Art Project

We've honored business leaders, teachers, long-term employees and celebrities in the past, but this year we're honoring people who have endured one of the most challenging years any of us have ever faced. ***We're honoring YOU, our community.***

**WHO do we mean by *community*?** We have been building relationships with local cultural and arts organizations, like East on Central, Working Together, The Highwood Library, The HP Senior Center, Midwest Young Artists, to name only a few. We also have commitments from sister organizations and personal friends in Ireland, Israel, Italy, Switzerland, Australia and more.

*Community for us, is everyone who 'comes together', or in our term for this event, everyone who Draws Together, either literally or figuratively.*

---

**Draw Together – Saturday, May 8**, starting at 12:30 at The Art Center Highland Park, 1957 Sheridan Road, we'll be scheduling artists, individuals, families and groups to 'draw together' and create their own masterpiece in chalk on our sidewalk. We'll stagger arrival times for health and safety assurance and finish up around 3:00 PM. Nationally-known chalk artist Nate Baranowski will be on hand creating one of his own signature perspective pieces and will also give tips and tricks to the artists. We'll also feature live performances by Bach to Rock, Midwest Young Artist Conservatory, and School of Rock.

- [Reserve a sidewalk square at TAC](#) - \$45 (includes Chalk Art Kit) supports classes, events and programming at TAC and enters you into a raffle for a \$100 Gift Certificate to TAC Classes.
- [Official TAC Chalk Art Kits](#) - \$35 includes a set of Crayola Sidewalk Chalk, 2 masks with the BRAND NEW TAC Logo, and a couple of other surprises. All sales support TAC programs and education.

For those who can't attend or are too far away, we invite you to 'chalk up' your own sidewalks, driveways and city streets and then send your images to [media@theartcenterhp.org](mailto:media@theartcenterhp.org). Post to social media and use #TACHP and/or #DrawTogetherTAC.

For sponsorship information or to reserve sidewalk squares as a group:
