When Do I Need To Order Lunches?

- ♥ Orders, Changes or Cancellations need to be checked out before **WEDNESDAY'S AT NOON** for the NEXT week of lunches.

Ordering for the first week of lunches closes Wednesday, August 14 at Noon

- ♥ We recommend ordering for as many dates as you can, so you'll never miss out on lunches. Remember, you can make changes or cancel anything before the weekly deadline.

We have no way to make exceptions to this policy, including student absence. If you miss the deadline, you may choose to either arrange to pick up your child's lunch during their lunch period or you can make someone's day and offer to gift the lunch to a special teacher or staff member if you would like.
