

**FALL 2023**

# **AFTER SCHOOL ENRICHMENT PROGRAM**

**Enrichment Chairs:**

**Kelly Geisler**

**Amanda De Vito**

**Email: [enrichmentswclpfa@gmail.com](mailto:enrichmentswclpfa@gmail.com)**

The WCL PFA Enrichment program gives Dorchester students an opportunity to try classes in a familiar and convenient setting. Our program depends on the help of parent volunteers to chaperone our classes. As such, a chaperone commitment is required during registration.

## **REGISTRATION**

Online registration for the Fall enrichment session will begin on Sunday, September 17 at 6:30pm for grades K-2 and 7:00pm for grades 3-5. Class sizes are limited, and are filled on a first come/first served basis. If a class is filled and you would like to be put on a waitlist, please do not contact the enrichment chairs. Waitlist requests will be a first come first serve basis and will only be honored if sent to [enrichmentswclpfa@gmail.com](mailto:enrichmentswclpfa@gmail.com). Registration will close on Saturday, September 23 and the session will begin on October 2. During the week leading up to the start of class, you will receive the chaperone schedule and arrival and dismissal procedures from the volunteer coordinator for that class.

## **CHAPERONE POLICY**

We require each parent to chaperone for classes in which their children are enrolled. You typically will only chaperone once per session per child enrolled in the class. If you have multiple children enrolled, then you will need to chaperone once per each child.

If it is not possible for a parent/caregiver to attend, you may request to send someone else over the age of 18 to chaperone in your place. Substitutes will be approved on a case-by-case basis.

If you have a last-minute conflict with your chaperone date, it is your responsibility to find a replacement within the pool of parents that have children registered for the class. If a replacement cannot be found, class may be canceled.

### **ENRICHMENT CLASS COORDINATORS**

Each class requires one enrichment coordinator for it to run. This is an easy way to volunteer for the PFA without a big time commitment! Coordinator responsibilities are simply to create a chaperone schedule and send out weekly reminders to the upcoming chaperones. We provide an email template which the coordinator would update and customize for each class.

### **REFUND POLICY/MAKEUP CLASSES**

Any cancellation requests must be received before the second class. Refunds (minus a 3% processing fee) will only be given if there is a student on the waitlist who will be taking your child's spot. No refunds will be given after the second class. There are no individual make-ups. Should a class be canceled by the instructor or school we will advise on a make-up date.

### **BEHAVIOR POLICY**

Appropriate school behavior is expected for all the students to ensure a positive experience for the entire class. Children are expected to listen to the instructor and chaperone, be respectful of other students and participate in all activities. After the Bell students are not permitted to leave until the end of the class.

If any child is disrupting the class and does not respond to a request to change behavior, he or she will have to sit out that day and we will contact the parents. If the child's behavior is not remedied, we will ask the student in question to withdraw from the class without a refund or be chaperoned each week by their parent/caregiver.

### **ARRIVAL AND DEPARTURE**

After school, children will be escorted from their classrooms to their enrichment. Upon dismissal children will be picked up in their designated area. All students must be signed out by a parent. More specific arrival and departure information will be provided the week before class. ATB students will be signed out directly to the program.

### **ABSENCES**

Please email the class coordinators if your child will be absent from class, so they can inform the chaperones.
